

REGIONAL LAND USE RESEARCH SCAN REPORT

Andy Pickard PE, AICP
Principal Transportation Engineer
HRTPO Board Meeting
July 21, 2010

Background

- Research task was part of the FY 2010 UPWP.
- Provide a snapshot of regional land use efforts and mapping in other metro areas.
- Findings from the scan will be used to develop a regional land use map in FY 2011.

Regional Land Use Research Scan

- Twelve regional planning agencies reviewed and incorporated in report.
 - Phoenix, AZ
 - Sacramento, CA
 - San Diego, CA
 - Chicago, IL
 - Boston, MA
 - Minneapolis, MN
 - Richmond, VA
 - Dayton, OH
 - Portland, OR
 - Calgary, Alberta, Canada
 - Vancouver, British Columbia, Canada
 - Curitiba, Brazil

Survey of Agencies

- Specifically for regional land use map creation:
 - Land use definitions
 - Data maintenance
 - Contacts at other metro agencies
- As regional land use topic evolves:
 - Regional authority
 - Application

Next Steps

- In FY 2011, the regional land use map will be developed.
 - A combination of locality comprehensive plan land use maps – not a new land use plan.
- After the initial development, assess the map's success, utility, and maintenance.

Recommended Action

- Approve *Regional Land Use Research Scan* report.
