## **6. Consistent Signage for the South Hampton Roads Trail (SHRT)**

Christy Fisher (vice chair) reported that the signage subcommittee met and decided on the need for an SHRT medallion. At their next meeting, they intend to choose a method of designing the medallion, either in-house or paid consultant.

## **7. VDOT SMART SCALE Update**

Using a handout including a project list, Jerry Pauley (VDOT) reviewed the bike/pedestrian projects proposed for SMART SCALE funding at the June 25 meeting of the Commonwealth Transportation Board (CTB).

## **8. Story Map of Chesapeake Trails & Connectivity Plan**

Kevin Finn (Chesapeake) demonstrated the story map webpage (<https://storymaps.arcgis.com/stories/41d3fafae5a94cb583c0dcf183eb0dc3>) that facilitates access to the recently approved Chesapeake Trails and Connectivity Plan (<https://www.cityofchesapeake.net/3233/Chesapeake-Trails-and-Connectivity-Plan>).

In addition to the interactive map (on which one can click to obtain information on plan segments), the webpage includes:

- Existing Conditions
- Community Discussions
- Highlights
- Facility Types
- Regional Connections

## **9. Seaboard Trail West**

Christy Fisher (Suffolk) presented Suffolk's plans for constructing the western portion of the partially-built Seaboard Coastline Trail using slides (<https://www.hrtpo.org/DocumentCenter/View/14735>). The western portion will run from Kenyon Rd to the existing path along Prentis Street. Once complete, the entire Seaboard trail will run from Kenyon Rd to the Chesapeake/Suffolk line.

## **10. Roundtable Announcements of Recent or Planned Funding Applications**

Kevin Finn (chair) led a discussion of funding. The following remarks were made:

- Kindra Greene (ERT) mentioned that she has submitted a pre-application for funding for the Elizabeth River Trail (ERT) from the Tidewater Sentinel Landscape.
- Angela Rico (Newport News) stated that her city applied for Revenue Sharing and Transportation Alternatives Program (TAP) funding for UPC 121108 Trail757 on Yorktown Road from Chelsea Place to Endview to the NN Park.
- Jamie Clark (Williamsburg) mentioned that he has applied for a TAP grant for the portion of Trail757 that will run along Jamestown Rd from John Tyler Lane to South Boundary Street.
- Caitlin Aubut (York) stated that she has submitted a TAP pre-application for the portion of Trail757 (along US 17) from the McReynolds Athletic Complex to Darby Rd.

- Alan Budde (Norfolk) mentioned:
  - o a TAP application for pedestrian improvements on Tidewater north and south of 1-64, pedestrian crossings on Monticello, and a short trail portion on 25th St to close a gap in the ERT
  - o designs are being finalized for the extension of bike lanes on Ocean View Avenue between Chesapeake Blvd and Cape View Avenue
- Steve Lambert (Va. Beach) plans a TAP application for additional funding for Phase 1 of the Va. Beach Trail.

## **11. Announcements**

David Cook (VDOT) announced:

- availability of version 2 of Statewide Active Transportation Count Network map
- a successful program: Roadway Reconfiguration Technical Assistance Services
- VDOT needs help with the annual updating of its bicycle facility metric report (and will send the draft list to MPOs for distribution to local governments)
