

2021 General Assembly Session - Summary of HRTPO-Related Bills and Budget Amendments
 January 15, 2021

Bill	Summary	Patron	Status
HB1752	Golf carts and utility vehicles; Town of Smithfield. Authorizes the governing body of the Town of Smithfield to, by ordinance, authorize a golf cart or utility vehicle to be operated on a designated public highway where the posted speed limit is 35 miles per hour or less. The bill authorizes a golf cart or utility vehicle in the Town of Smithfield to cross any highway marked as a golf cart crossing by the Department of Transportation.	Brewer	12/14/20: House - Referred to Counties, Cities and Towns
HB1903	Local government authority; reduction of speed limits. Authorizes local governing bodies to reduce the speed limit to less than 25 miles per hour, but not less than 15 miles per hour, in a business district or residence district.	Carr	1/14/21: House - Reported from Transportation (22-Y 0-N)
HB1910	Creation of regional transportation authorities. Authorizes two or more adjacent counties or cities to form a regional transportation authority to engage in regional transportation projects. The bill sets forth the procedures for forming such authority and determining the membership of its governing board. Ordinances adopted by each member of such authority would set forth the local taxes, fees, and revenues to be contributed by each locality to such authority.	Cole	1/12/21: House - Assigned Transportation sub: Transportation Systems
HB1926	Central Virginia Transportation Authority; membership. Adds the Executive Director of the Virginia Port Authority, or his designee, as a nonvoting ex officio member of the Central Virginia Transportation Authority.	McQuinn	1/14/21: House - Assigned Transportation sub: Transportation Systems
HB2054	Comprehensive plan; transit-oriented development. Adds reducing, modifying, or waiving local parking requirements or ratios to the strategies that may be included when certain larger localities consider incorporating strategies to promote transit-oriented development in reviews of their comprehensive plans. The bill removes from the existing strategy of increasing development density in certain areas to reduce density in others the phrase "to reduce density in others."	Samirah	1/12/21: House - Committee referral pending
HB2071	Transportation funding; statewide prioritization process; resiliency. Adds resiliency, defined in the bill, to the list of factors to be considered during the statewide transportation funding prioritization process commonly known as SMART SCALE. The bill also requires that the factors of congestion mitigation, economic development, accessibility, safety, resiliency, and environmental quality be considered relative to the anticipated life-cycle cost of the project or strategy under consideration.	Convirs-Fowler	1/12/21: House - Referred to Transportation
HB2122	Golf carts and utility vehicles; Town of Ivor. Adds the Town of Ivor to the list of towns that may authorize the operation of golf carts and utility vehicles on designated public highways despite not having established their own police departments.	Brewer	1/12/21: House - Referred to Transportation
HB2237	Virginia Public Procurement Act; project labor agreements; transportation projects. Requires every public body, prior to requiring bidders, offerors, contractors, subcontractors, or operators on contracts for the design or construction of a road, highway, bridge, or similar transportation improvement to enter into, become or remain signatories to, or adhere to project labor agreements, to make a written determination that requiring such bidders, offerors, contractors, subcontractors, or operators to enter into, become or remain signatories to, or adhere to such project labor agreements advances the public's interests based on objective criteria established by the public body by regulation or ordinance, such as cost, efficiency, quality, safety, timeliness, maintenance of a skilled labor force, labor stability, or advancing minority-owned and women-owned business participation in the project.	McQuinn	1/13/21: House - Referred to General Laws

2021 General Assembly Session - Summary of HRTPO-Related Bills and Budget Amendments
January 15, 2021

Bill	Summary	Patron	Status
HB2245	Use of transportation funds. States that it is the policy of the Commonwealth that revenues dedicated to transportation purposes shall not be used or redirected for any nontransportation-related purpose. Any attempt to repurpose funds dedicated to transportation as of July 1, 2020, shall be deemed invalid and shall not be effectuated.	LaRock	1/13/21: House - Committee referral pending
HB2262	Traffic regulation; bicycles. Permits operators of bicycles to treat a stop sign as a yield sign in certain situations. The bill requires the driver of a motor vehicle to change lanes when overtaking a bicycle or certain other vehicles when the lane of travel is not wide enough for the overtaking motor vehicle to pass at least three feet to the left of the overtaken vehicle. The bill also removes the limitations on riding bicycles and certain other vehicles two abreast.	Hurst	1/13/21: House - Referred to Transportation
HJ542	Study; Department of Rail and Public Transportation; transit equity and modernization; report. Requests the Department of Rail and Public Transportation to conduct a two-year study of transit equity and modernization in the Commonwealth.	McQuinn	1/11/21: House - Referred to Rules
SB1126	Transportation District Commission of Hampton Roads; membership. Adds a member of the House of Delegates, to be appointed by the Speaker of the House, and a member of the Senate, to be appointed by the Senate Committee on Rules, to the Transportation District Commission of Hampton Roads. Such legislative members must represent districts that include certain cities in the Hampton Roads region. The bill also requires that nonlegislative citizen members of the Commission appointed by the Governor have experience in one of the following fields: transit, transportation, or land use planning; management of transit, transportation, or other public sector operations; public budgeting or finance; corporate communications; government oversight; or state or local government. The new qualifications do not affect the appointment of any current members of the Commission until the expiration of their terms.	Spruill	12/23/20: Senate - Referred to Rules
SB1158	Port of Virginia tax credits; sunset. Extends the sunset for the international trade facility tax credit, the barge and rail usage tax credit, and the port volume increase tax credit from taxable years before January 1, 2022, to taxable years before January 1, 2025.	Spruill	1/7/21: Senate - Referred to Finance and Appropriations
SB1217	Taking certain private roads into the secondary state highway system. Directs the Department of Transportation to accept certain private roads into the secondary state highway system if the locality in which the private road is located adopts an ordinance dedicating one percent of real property revenues generated by property on the road to the Department to contribute to the maintenance and upkeep of the road. A private road would be eligible if the private road has served at least 10 occupied parcels for a minimum of 45 years and if the private road intersects with two or more roads in the primary or secondary state highway system.	Ruff	1/11/21: Senate - Referred to Transportation
SB1223	Transportation electrification; Virginia Energy Plan. Amends the Virginia Energy Plan to include an analysis of electric vehicle charging infrastructure and other infrastructure needed to support the 2045 net-zero carbon target in the transportation sector.	Boysko	1/11/21: Senate - Referred to Commerce and Labor
SB1253	Funds for access roads to economic development sites; criteria for use of funds. Directs the Commonwealth Transportation Board, in consultation with the Secretaries of Transportation and Commerce and Trade, to develop criteria to be used in the award of funds for access roads to economic development sites. The criteria shall take into account job creation, capital investment, and other relevant economic development considerations.	McPike	1/12/21: Senate - Referred to Transportation

 January 15, 2021

Bill	Summary	Patron	Status
SB1259	Virginia Highway Corporation Act; alteration of certificate of authority; powers and duties of the State Corporation Commission. Requires any application for a transfer, extension, or amendment of a certificate of authority issued under the Virginia Highway Corporation Act to include information demonstrating the financial fitness of the entity applying to operate the roadway. The bill requires an applicant for a toll increase to provide a forward-looking analysis return that will be reviewed by the Department of Transportation that demonstrates that the proposed rates will be reasonable to the user in relation to the benefit obtained, not likely to materially discourage use of the roadway, and provide the operator no more than a reasonable return. The bill also prohibits the State Corporation Commission from authorizing a toll increase if these criteria are not met or if the proposed increase is for more than one year. The bill requires an operator to receive approval from the Commission prior to refinancing any existing debt.	Bell	1/11/21: Senate - Referred to Transportation
SB1260	Entry onto land for inspection for transportation purposes. Requires the Commissioner of Highways to provide a landowner with 30 days' notice of the intent to enter and inspect property to ascertain suitability of the property for transportation purposes, and eliminates the requirement that the Commissioner first request permission to enter the property and then provide notice of intent to enter if permission is not granted.	Bell	1/11/21: Senate - Referred to Transportation
SB1263	Traffic regulations; bicycles. Permits operators of bicycles to treat a stop sign as a yield sign in certain situations. The bill requires the driver of a motor vehicle to change lanes when overtaking a bicycle or certain other vehicles when the lane of travel is not wide enough for the overtaking motor vehicle to pass at least three feet to the left of the overtaken vehicle. The bill also removes the limitations on riding bicycles and certain other vehicles two abreast.	Morrissey	1/11/21: Senate - Referred to Transportation
SB1350	Transportation funding; statewide prioritization process; resiliency. Adds resiliency, defined in the bill, to the list of factors to be considered during the statewide transportation funding prioritization process commonly known as SMART SCALE. The bill also requires that the factors of congestion mitigation, economic development, accessibility, safety, resiliency, and environmental quality be considered relative to the anticipated life-cycle cost of the project or strategy under consideration.	Lewis	1/13/21: Senate - Referred to Transportation
SB1364	Commonwealth Transit Ridership Fund; creation. Creates the Commonwealth Transit Ridership Fund as a component of the Transportation Trust Fund to pay for free and reduced public transit fares throughout the Commonwealth. Any revenues generated by the retail sale of marijuana and marijuana products is deposited into the Fund. The bill does not become effective unless the retail sale of marijuana and marijuana products is legalized.	Cosgrove	1/13/21: Senate - Referred to Transportation
