The screenshot shows the Hampton Roads PDC website. At the top, there is a navigation bar with links for "ABOUT THE HRPDC", "WHAT WE DO", and "RESOURCES & DATA". Below the navigation bar is a banner featuring a night-time city skyline. The main content area has a sidebar on the left with the following menu items: "About", "Sixth Edition (Current Standards)", "Fifth Edition", "Get a Copy", "Training" (which is circled in red), "Proposed Revisions", "Vendor Information", "Agendas & Minutes", and "View All Documents". To the right of the sidebar, there is a detailed description of the "Hampton Roads Regional Construction Standards (HRRCS)". The description states that Hampton Roads communities developed Regional Construction Standards (Standards) to simplify construction and improve the quality of roads, utilities, and other right-of-way improvements built in their area. The Standards are a reference manual of uniform construction standards intended to accommodate most of the "typical" construction projects in the region. The current 6th Edition standards were adopted in June 2016. Additional specifications and standard details, along with improvements to earlier versions, will be an ongoing effort. Revisions for the 7th edition update began in 2023 and are ongoing. It also mentions that special provisions for individual localities are provided with each edition, and that users can learn about training opportunities, HRRCS membership, and program administration or request to purchase bound copies of the Standards.

The screenshot shows the homepage of the Hampton Roads PDC learning management system. The interface is clean and modern, featuring a dark blue sidebar on the left and a white content area on the right.

Header: The top right corner includes a search bar with a magnifying glass icon, a user profile icon for "Ivy Ozmon Learner", and a dropdown menu.

Left Sidebar: The sidebar contains the following navigation items:

- Home (selected, indicated by a blue background)
- My training
- Catalog
- Calendar
- Skills

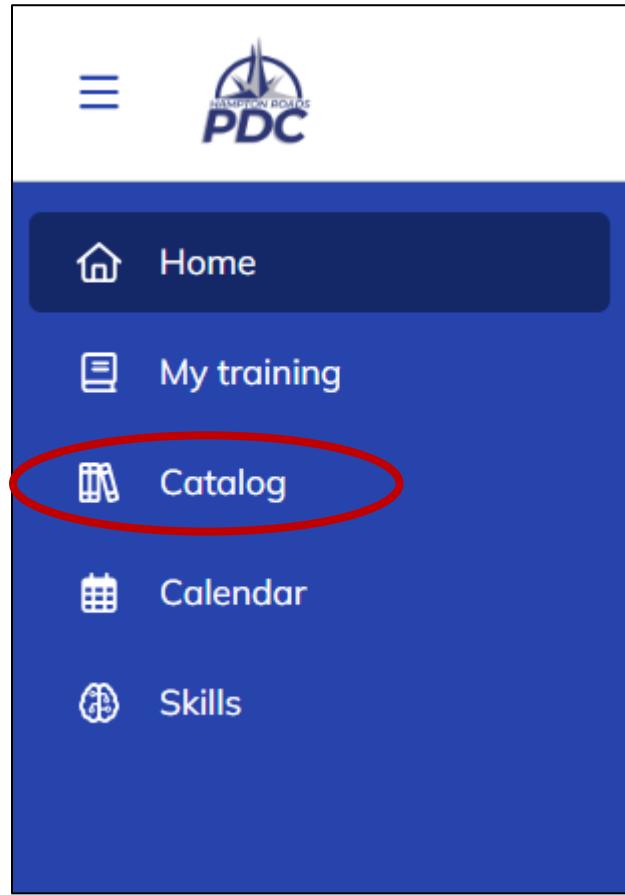

Content Area: The main content area features a "Welcome, Ivy!" message. Below it, a "Recent course activity" section displays three course modules for "Regional Construction Standards" under the "HAMPTON ROADS" logo:

- Part 1: Regional Construction Standards** (Progress: 0%)
- Part 2: Regional Construction Standards** (Progress: 0%)
- Part 3: Regional Construction Standards** (Progress: 0%)

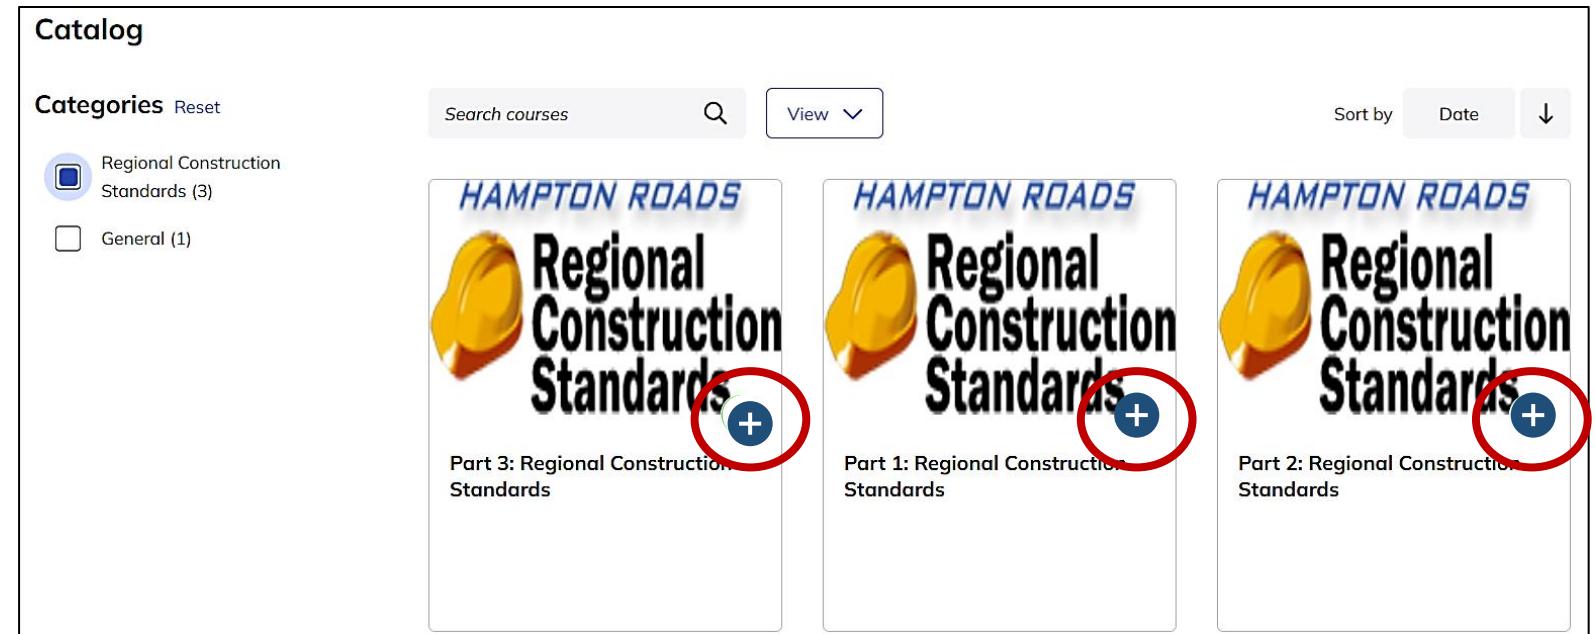

Each course module card includes a "Start" button with a blue arrow icon.

If no modules display on your Talent LMS home screen:

1 Click Catalog in the left menu.

2 Click the + button on each module to add each of the 3 RCS courses to your training page.

Return to your training page by clicking My training on the left menu. You'll see the 3 RCS modules listed. Click start to begin the first module and follow the course instructions.

The screenshot shows the Hampton Roads PDC training platform interface. The left sidebar has a blue background with the PDC logo at the top. The menu items are: Home (selected), My training (circled in red), Catalog, Calendar, and Skills. The main content area has a white background. At the top, there is a search bar with a magnifying glass icon and a user profile for 'Ivy Ozmon Learner'. Below the search bar, the text 'Welcome, Ivy!' is displayed. Under 'Recent course activity', there are three cards for 'Regional Construction Standards' modules: 'Part 1: Regional Construction Standards', 'Part 2: Regional Construction Standards', and 'Part 3: Regional Construction Standards'. Each card features the 'HAMPTON ROADS' logo and a 'Start' button with a blue arrow icon. The 'Start' button for 'Part 1' is also circled in red.
