

AGENDA ITEM #12: PATRIOTS CROSSING CORRIDOR STUDY UPDATE: VDOT

SUBJECT:

Update on the scope of the Patriots Crossing Corridor Study.

BACKGROUND:

During the January TTAC meeting, a member requested that VDOT research the Patriots Crossing Corridor Study (UPC# 99587) to determine if traffic and revenue studies will be accomplished as part of the project. The member indicated it was his understanding that the same level of detail would be attained on both the Patriots Crossing Corridor Study and the Hampton Roads Bridge-Tunnel Corridor Study (UPC# 99037).

Mr. Eric Stringfield, VDOT Hampton Roads District Transportation Planning and Land Use Director, will brief the TTAC on this item.

RECOMMENDED ACTION:

For discussion and informational purposes.
