

AGENDA ITEM #6: POTENTIAL CANDIDATE PPTA PROJECTS

SUBJECT:

Additional potential candidate Public-Private Transportation Act (PPTA) projects.

BACKGROUND:

During the HRTPO Board meeting of January 19, 2012, the Board approved the three projects recommended by the TTAC to be submitted as candidate PPTA projects:

- Patriots Crossing
- Hampton Roads Bridge-Tunnel
- I-264 from I-64 to Birdneck Road

In addition, the Board directed the HRTPO Executive Director to coordinate with the City of Suffolk on the CenterPoint-Kenyon Connector project and with the City of Virginia Beach on the Virginia Beach Transit Extension to determine whether they are feasible candidate projects to advance under PPTA.

Ms. Camelia Ravanbakht, Deputy Executive Director, will initiate discussion on this item.

RECOMMENDED ACTION:

Determine whether the two additional projects should be forwarded as potential candidate PPTA projects.
