

**AGENDA ITEM #14: USERS OF EXISTING TOLL FACILITIES IN HAMPTON ROADS:  
DRAFT REPORT**

**SUBJECT:**

HRTPO staff has prepared a report using E-ZPass data to investigate the portion of tolls paid by local persons and businesses on the three existing toll facilities in Hampton Roads.

**BACKGROUND:**

Having obtained Virginia Department of Transportation data concerning E-ZPass transactions at the three existing local toll facilities — Chesapeake Bay Bridge Tunnel, Chesapeake Expressway, and the Coleman Bridge — HRTPO staff has calculated the portion of E-ZPass tolls paid by persons living, and businesses located, in the thirteen HRTPO localities. The draft report is enclosed.

Mr. Rob Case, Principal Transportation Engineer, will present the findings to the TTAC.

Enclosure 14 – Users of Existing Toll Facilities in Hampton Roads (Draft Report)

**RECOMMENDED ACTION:**

Review the draft document and submit comments to Rob Case ([rcase@hrtpo.org](mailto:rcase@hrtpo.org)) by COB Wednesday, July 25, 2012.
