

AGENDA ITEM #16: SUFFOLK TRANSIT OPERATIONS AND FUNDING: OVERVIEW
L.J. Hansen, Suffolk Transit

Suffolk Transit was formed in January 2012, utilizing a contractor as the City's transit service provider. Suffolk Transit currently provides weekday fixed route and paratransit service to the core downtown service area and northeastern Suffolk.

Suffolk Transit has recently completed the federal assistance application process and will be programming federal funds moving forward. The presentation will provide an operational overview of Suffolk Transit.

Mr. L.J. Hansen, Suffolk Assistant Director of Public Works, will brief the TTAC on this item.
