

AGENDA ITEM #17: HAMPTON ROADS TRANSIT: CORE 20 PLAN
Brian Smith, HRT

Hampton Roads Transit is developing a new concept for local bus service, called ***Core 20***. The goal of Core 20 is to deploy a new high frequency network of better quality bus routes that will more effectively connect the region.

Mr. Brian Smith, HRT Assistant to the President and CEO for Organizational Advancement, will brief the TTAC on this item.
