

AGENDA ITEM #8: SPECIAL STUDIES FOR FY 2022 UNIFIED PLANNING WORK PROGRAM (UPWP)
Robert Case, HRTPO

Each year the HRTPO staff conducts a few special studies to address specific transportation concerns of its member localities. In preparing the HRTPO FY 2022 UPWP, staff is gathering input on desired study topics. Staff will present examples of past special studies to TTAC and solicit desired study topics for the FY 2022 UPWP.

Dr. Robert Case, HRTPO Chief Transportation Engineer, will brief the TTAC on this item.

RECOMMENDED ACTION:

Please submit suggested study topics to Dr. Case at rcase@hrtpo.org by Friday, January 22, 2021.
