Tim Haynam and Salvija Hofheimer, VDOT

The Hampton Roads Transportation Planning Organization (HRTPO) Board has adopted a resolution endorsing the Hampton Roads Regional Express Lanes Network as a consistent HOT-2 network beginning on I-64 at Jefferson Avenue in Newport News, proceeding along I-64 through Bowers Hill in Chesapeake and continuing along I-664 to I-64 in the vicinity of the Hampton Coliseum.

The Virginia Department of Transportation (VDOT) will administer the projects that comprise the Express Lanes Network and is developing cost estimates and schedules for segments to complete this network by 2025. VDOT is assessing all readiness factors to include targeted dates for environmental, planning and funding milestones. VDOT staff will brief TTAC on the readiness components of network segments.

Mr. Tim Haynam, VDOT Senior Design Project Manager, and Ms. Salvija Hofheimer, Senior Project Manager, will brief the TTAC on this item.
