

AGENDA ITEM #19: HAMPTON ROADS EXPRESS LANES OPERATIONAL ANALYSIS
VDOT and Kimley Horn Staff

VDOT and Kimley Horn staff will provide an update on the status of the Hampton Roads Express Lanes Network Study. This study will provide an operational analysis for a system-wide potential for a high occupancy toll lane (HOT) network throughout Hampton Roads.

Staff from VDOT and Kimley Horn will brief the TTAC on this item.

RECOMMENDED ACTION:

For discussion and informational purposes.
