

ITEM #15: NAVAL STATION NORFOLK TRANSIT CORRIDOR PROJECT UPDATE
Ray Amoruso, HRT

Hampton Roads Transit is conducting a study of the Naval Station Norfolk Transit Corridor that began in the Fall of 2019. The study examines potential Light Rail Transit (LRT) and Bus Rapid Transit (BRT) alternatives on the eastern side of Norfolk that could provide a regionally significant, high-quality transit connection between the existing Tide Light Rail line and Naval Station Norfolk.

Mr. Ray Amoruso, HRT Chief Planning and Development Officer, will brief the HRTPO Board on this item.
