

AGENDA ITEM #9: FTAC PRIORITIES/FORMAL POSITIONS

The Mission of the Freight Transportation Advisory Committee is "...to advocate on behalf of the systematic needs for the transport and movement of freight in the region. The committee will act as an advocate for freight issues and bring awareness of those issues to the public, key stakeholders and policy makers."

At the December FTAC meeting, members were asked to identify topics that the committee should consider establishing formal positions on. Committee members indicated that they would work on formal positions in various areas, including:

- Toll reductions at the Midtown and Downtown Tunnels
- Railroad priorities
- Electric vehicle and dray trucks
- Receiving credit for funding road projects regionally despite the lack of federal funding

Mr. Robert Eveleigh, FTAC Chair, will initiate the discussion on this item.
