

**AGENDA ITEM #18: HAMPTON ROADS REGIONAL EXPRESS LANES NETWORK: UPDATE**  
*Tim Haynam, VDOT*

The Hampton Roads Transportation Planning Organization (HRTPO) Board has adopted a resolution endorsing the Hampton Roads Regional Express Lanes Network as a consistent HOT-2 network beginning on I-64 at Jefferson Avenue in Newport News, proceeding along I-64 through Bowers Hill in Chesapeake and continuing along I-664 to I-64 in the vicinity of the Hampton Coliseum. The Express Lanes Network will initially be comprised of the section along I-64 from Jefferson Avenue to Bowers Hill.

The Virginia Department of Transportation (VDOT) will administer the projects that comprise the Express Lanes Network and is developing cost estimates and schedules for segments to complete this initial network by 2025. Following the VDOT presentation on the Express Lanes during the January 2020 TTAC meeting, members requested a follow-up presentation in order for VDOT to provide more detail on network operations, including ingress/egress, gantry locations, etc.

**Mr. Tim Haynam, VDOT Senior Design Project Manager, will brief the TTAC on this item.**

**RECOMMENDED ACTION:**

For discussion and informational purposes.
