AGENDA ITEM #9: FOR YOUR INFORMATION

A. 2045 LRTP Candidate Projects

- a. Outreach for candidate projects for the 2045 LRTP has been initiated. As part of the visioning survey, the public will also have an opportunity to submit candidate projects for consideration.

B. Regional Connectors Study Update

- a. Based on an HRTPO Board approved Guidance for Scope of Work (October 2017), the RCS was being developed to inform the 2045 LRTP.
