

## C. **HRTPO 2014 CMAQ/RSTP PROJECT SELECTION PROCESS REPORT**

As the Metropolitan Planning Organization (MPO) for the Hampton Roads area, the HRTPO is responsible for project selection and allocation of funds under two federal funding programs – the Congestion Mitigation and Air Quality (CMAQ) Improvement Program and the Regional Surface Transportation Program (RSTP). The process used by the HRTPO to select projects to receive funds from these two programs is referred to as the CMAQ/RSTP Project Selection Process. The project selection process is conducted annually, normally beginning in July and running through December.

The enclosed report summarizes the work of selecting CMAQ and RSTP projects during the 2014 CMAQ/RSTP Project Selection Process. Selected projects received allocations of CMAQ or RSTP funds in Fiscal Year (FY) 2021. The CMAQ and RSTP projects and allocations were approved by the HRTPO Board on November 20, 2014. The Transportation Technical Advisory Committee has recommended approval of the final report.
