

**AGENDA ITEM #7: PUBLIC INVOLVEMENT FOR THE DRAFT 2040 LRTP  
CANDIDATE PROJECTS LIST**

During the process referred to as the Update of the Long Range Transportation Plan, the HRTPO must engage interested parties as established in the Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) and remains in the transportation reauthorization bill, Moving Ahead for Progress in the 21st Century (MAP-21). The interested parties include local governmental agencies, private freight shippers, providers of transportation services, providers of freight transportation services, organizations representing persons with disabilities, representatives of users of public transportation, bike and pedestrian groups, Tribal organizations, and the general public.

HRTPO staff has been in the process of compiling the list of candidate projects for the 2040 LRTP. This list used the 2034 LRTP projects as a base, which then expanded to include public input received via the 2040 LRTP Visioning Survey as well as locality input received through work with the LRTP Subcommittee. The Draft 2040 LRTP Candidate Projects List includes highway, transit, and active transportation candidate projects.

HRTPO's Public Involvement Plan is specified for one aspect of the update of the 2040 LRTP, and outlines the Public Involvement process for educating the public on the Draft Candidate Projects List and engaging their feedback and opinions on the Projects List itself. Subsequent phases of the LRTP will be vetted to the public so as to inform the public and to gain their input and perspective on those subsequent phases.

Ms. Kendall Miller, HRTPO Public Involvement & Title VI Administrator, will brief the Subcommittee on this item.
