

AGENDA ITEM #18: MIDTOWN AND DOWNTOWN TUNNELS: COMMUTER SURVEY

SUBJECT:

Results of a Commuter Toll Pattern Survey conducted prior to the implementation of tolls at the Midtown and Downtown Tunnels.

BACKGROUND:

During the January 16, 2014 meeting, the HRTPO Board approved the authorization to procure the services of Christopher Newport University to conduct a two-part Commuter Toll Pattern Survey in order to assess Hampton Roads motorists' familiarity with the toll and their anticipated behavior in response to the initiation of tolls. The first part of this survey commenced on January 20, 2014 and was conducted over a six-day period. The data findings of the survey have been analyzed and compiled into the South Hampton Roads Midtown and Downtown Tunnels Toll Survey Part 1: Pre-Tolling Report and Findings.

Ms. Kendall Miller, HRTPO Public Involvement and Title VI Administrator, will brief the TTAC on this item
