

AGENDA ITEM #11: VDOT TRUCK PARKING STUDY

Erik Johnson, VDOT

In 2015, VDOT prepared a statewide truck parking study to identify areas where commercial truck parking is needed to provide safe places for truckers to rest. VDOT is currently preparing an update to the study. The presentation will provide an update on the study with an emphasis on Hampton Roads.

Mr. Erik Johnson, VDOT Freight Planning Specialist, will make a presentation on this item.
