

B. DRAFT FY 2016-2021 SIX-YEAR IMPROVEMENT PROGRAM PUBLIC HEARING

The Six-Year Improvement Program (SYIP) is a document produced by the Commonwealth that outlines planned spending for transportation projects proposed for construction development or study for the next six years. Each spring, the Draft SYIP is presented to the Commonwealth Transportation Board and made available for public review and comment. The public hearing for the Hampton Roads District will be held on Thursday, April 23, 2015, in the Regional Building Board Room. The public hearing will begin at 6:00 p.m.
