

**ITEM #8: FY 2019 HIGHWAY INFRASTRUCTURE PROGRAM (HIP) FUNDING
AVAILABILITY – HRTPO AND VDOT**

The 2018 Federal Appropriations Act includes funding for the Highway Infrastructure Programs. The funds resulting from this apportionment (\$4,884,116) are available for obligation until September 30, 2021. Any amounts not obligated before September 30, 2021, shall lapse.

These funds were made available late in the development of the FY2019-2024 SYIP for FY2019 only. Therefore, the fund component tied to population was programmed to the district RSTP balance entry line items (reference attached list).

These funds are to be obligated before September 2021 and billed/final vouchered by September 2026.

Eligibility:

1. May only be applied to projects under to 23 USC 133(b)(1)(a), which is for highways, bridges, and tunnels.
2. May not be used to fund State Infrastructure Banks
3. Not eligible for local roads or minor collectors.
4. Not eligible for ferry boats, ITS, truck parking facilities, transit, planning, or research.

These are General Funds (not HTF funds), so they are similar to the ARRA program - after the obligation deadline of 9/30/21, adjustments cannot be made (they cannot be de-obligated and re-obligated elsewhere) and after 9/30/26, the funds are cancelled and cannot be expended against any longer.

Additional information for the Highway Infrastructure Program can be found on the FHWA site: <https://www.fhwa.dot.gov/legsregs/directives/notices/n4510826/>

Mr. John Mihaly, HRTPO Senior Transportation Planner, and Ms. Karen Bourne, VDOT Hampton Roads District Programming, will brief the TPS on this item.
