

AGENDA ITEM #12: TRANSIT CAPITAL PROGRAM UPDATE
Jennifer DeBruhl, DRPT

Established by the 2016 General Assembly, the Transit Capital Project Revenue Advisory Board is tasked with examining the impacts of a revenue reduction caused by the upcoming expiration of the 2007 Capital Project Revenue bonds that will leave transit systems throughout the Commonwealth without necessary funding for capital improvements. The Board is also responsible for identifying possible sources of replacement revenue and developing methodologies for further prioritization of transit capital funds. The committee meets regularly and consists of representatives from the Virginia Transit Association (VTA), Community Transportation Association of Virginia (CTAV), Virginia Municipal League (VML), Virginia Association of Counties (VACO), and DRPT.

The Advisory Board submitted to the Governor and the General Assembly an [interim report on January 1, 2017](#), and will submit a final report containing an executive summary of the activity and recommendations of the Advisory Board no later than August 1, 2017. The reports will be submitted for publication and will be posted on the General Assembly's website.

Ms. Jennifer DeBruhl, DRPT Chief of Public Transportation, will brief the TTAC on this item.
