### Hampton Roads Transportation Planning Organization March 17, 2022 Meeting

Name: Rogard Ross

Representing: Chesapeake Bicycle and Trails Advisory Committee

Subject: Support for the Transportation Alternatives Set-Aside: Agenda Item 15

#### **Comment Transcription:**

Good morning. My name is Rogard Ross, and I live here in Chesapeake. I am a member of the Chesapeake Bicycle and Trails Advisory Committee, and I want to just speak briefly in support for the Transportation Alternatives Set-Aside: Agenda Item Number 15 that you will be considering and ask you to support that as recommended by the Technical Advisory Committee. In particular, in Chesapeake we are very concerned about the South Hampton Roads trail segments in Chesapeake and also in Suffolk. Finishing these trails are of great importance to the Southside community and critical links in building a trail that will eventually run all the way down to the Oceanfront. So, thank you very much.
