

**ITEM #18: VDOT Preferred Alternative for Bowers Hill Interchange Study**  
*Andrew Pike, VDOT*

The purpose of the briefing on the Bowers Hill Interchange Improvements Study is to support HRTPO Board action endorsing the recommended preferred alternative. The briefing will cover the Study's purpose and need, concepts considered, alternatives retained, and potential impacts from the two retained build alternatives.

Mr. Andrew Pike, VDOT NEPA Project Manager, Environmental Division, will brief the HRTPO Board on this item.

**RECOMMENDED ACTION:**

Endorse VDOT's preferred alternative for the Bowers Hill Interchange Study.
