

D. Funding of Upgrading Private Roads to VDOT System: Final

Across Virginia, citizens often call county offices asking that the maintenance of their private roads be taken over by VDOT. The cost to upgrade private roads to VDOT standards usually being significant, HRTPO staff has researched the options available for funding those improvements and for responding to citizen requests.

The draft *Funding of Upgrading Private Roads to VDOT System* report was presented to the TTAC at its March 2, 2022 meeting and was made available for public review and comment from March 2, 2022 through March 16, 2022. Comments received were incorporated into the final report.

Enclosure 19D: *Funding of Upgrading Private Roads to VDOT System: Final*

RECOMMENDED ACTION:

Approve the final report.
