

**AGENDA ITEM #5: REGIONAL PERFORMANCE MEASURES: SYSTEM PERFORMANCE
REPORT: FINAL [Action Requested]
Pavithra Parthasarathi, HRTPO**

The Moving Ahead for Progress in the 21st Century (MAP-21) surface transportation legislation established a performance and outcome-based program. As part of this program, MAP-21 and the current Fixing America's Surface Transportation (FAST) Act legislation require that States and Metropolitan Planning Organizations (MPOs) prepare and use a set of federally-established performance measures that are tied to national performance goals. Each MPO must set regional targets in the areas of roadway safety, transit asset management, transit safety, pavement condition, bridge condition, roadway performance, and freight.

The draft report was presented to the TTAC at its May meeting and made available for public review and comment from April 29, 2021 through May 21, 2021. No comments were received.

Ms. Pavithra Parthasarathi, HRTPO Deputy Executive Director, will brief the TTAC on this item.

Enclosure 5: *Regional Performance Measures: System Performance Report: Final*

RECOMMENDED ACTION:

Recommend HRTPO Board approval of the final report.
