

**AGENDA ITEM #11: PORT OF VIRGINIA UPDATE: VPA**

The Panama Canal Expansion, the largest project at the Canal since its original construction, will double the Canal's capacity. As of April 30, 2015, the project is 89 percent completed. The Port of Virginia has been preparing to take advantage opportunities that will result from the expansion of the Canal.

Mr. Jeff Florin, Virginia Port Authority, will brief the TTAC on this item.
