

C. FY 2018-2021 TIP Amendment Request to Transfer CMAQ Funding: UPC 102944 – James City County

Attached is a request from James City County to amend the Fiscal Year (FY) 2018-2021 Transportation Improvement Program (TIP) to transfer a total of \$40,423 in Congestion Mitigation and Air Quality Improvement Program (CMAQ) funds from one completed project to the CMAQ eligible recipient project in order to supplant an equivalent amount of Secondary funds. The specifics of the request are described below:

- **UPC 102944 – Centerville Road/New Road Intersection Improvements**
 - Revise Allocations as follows:
 - Receive FY 2000 CMAQ allocation of \$20,188 from completed project Route 199/Brookwood Drive Intersection Improvements (UPC 102948)
 - Receive FY 2019 CMAQ allocation of \$16,188, plus \$4,047 from completed project Route 199/Brookwood Drive Intersection Improvements (UPC 102948)

This project was included in the HRTPO FY 2018-2021 TIP and is considered consistent with the 2040 LRTP that received a conformity finding from the Federal Highway Administration on October 29, 2018. It was included as not deemed regionally significant and as such, does not require a new conformity determination.

Should the HRTPO Board approve the funding transfers described above, the FY 2018-2021 Transportation Improvement Program (TIP) will be amended to update the funding information associated with the projects. This request is being made available for public review and comment from May 27, 2020 through June 10, 2020.

Mr. Paul Holt, Director of Community Development and Planning for James City County, will be available to answer questions on this item.

RE: Transportation Improvement Program (TIP) Transfer Request

Dear Mr. Mihaly:

The Virginia Department of Transportation has completed its closeout of UPC 102948 – Route 199 Intersection Improvements at Brookwood Drive. At the end of the project, \$40,423 in funds remain. James City County respectfully requests these remaining funds be transferred to UPC102944 – Centerville and News Road intersection improvements. The transfer would allow for this CMAQ funding to supplant an equivalent amount of Secondary funds. UPC102944 is currently in the CN phase of the project.

Accordingly, James City County requests a TIP amendment as follows:

Transfer From					Transfer To	
UPC	Description	Fund Type	Fiscal Year	Amount	UPC	Description
102948	Route 199/Brookwood Intersection Improvements	CMAQ	2000	\$20,188	102944	Centerville and News Road Intersection Improvements
		CMAQ	2019	\$16,188		
		CMAQ match	2019	\$4,047		

Current cost estimates, allocations, obligations, expenditures, and funds available for transfer associated with the affected projects have been confirmed by VDOT and/or coordinated with DRPT. Should you have any questions, please contact me at 757-253-6671.

Sincerely,

Paul D. Holt, III, AICP, CNU-A, CFM
