

**AGENDA ITEM #13: PAVEMENT PERFORMANCE MEASUREMENT IN HAMPTON ROADS:
DRAFT**

SUBJECT:

HRTPO staff has prepared a report presenting, analyzing, and summarizing publicly-available pavement data for Hampton Roads in order to determine the condition and smoothness of the region's pavements.

BACKGROUND:

In addition to condition and smoothness information, this document also contains maintenance funding and lane closure data. Data were obtained from FHWA and VDOT.

The draft will be made available for public comment from June 4, 2014 through June 18, 2014. At the July TTAC meeting, staff will summarize public comments, if received, and request approval of the final report.

Dr. Robert Case, Principal Transportation Engineer, will brief the TTAC on this item.

Enclosure 13: *Pavement Performance Measurement in Hampton Roads Draft Report*

RECOMMENDED ACTION:

Review the draft report during the public comment period and submit comments to Rob Case (rcase@hrtpo.org) by COB Wednesday, June 18, 2014.
