

**AGENDA ITEM #29: REGIONAL PERFORMANCE MEASURES – FY 2016 UPDATE:  
DRAFT  
Seth Schipinski, HRTPO**

In 2009, the General Assembly passed legislation giving the Commonwealth Transportation Board (CTB) authority to:

*“require that appropriate regional organizations develop...quantifiable measures and achievable goals for the urban region relating to, but not limited to, congestion reduction and safety, transit and high-occupancy vehicle (HOV) usage, job-to-housing ratios, job and housing access to transit and pedestrian facilities, air quality, movement of freight by rail, and per capita vehicle miles traveled.”*

In April 2012, the HRTPO Board approved desired trends for Hampton Roads Regional Performance Measures (RPMs) and 2012 values for these RPMs, and forwarded both to the Office of the Secretary of Transportation.

Annually since 2012, HRTPO staff has prepared an update using the latest data. This data will be available for public review and comment from Wednesday, July 6, 2016 through Wednesday, July 20, 2016.

**Mr. Seth Schipinski, HRTPO Transportation Engineer, will provide the TTAC with a briefing on the RPM update.**

**RECOMMENDED ACTION:**

Review the updated RPM data and submit comments to Seth Schipinski ([sschipinski@hrtpo.org](mailto:sschipinski@hrtpo.org)) by COB Wednesday, July 20, 2016.
