

AGENDA ITEM #11: HAMPTON ROADS 2015 TRANSPORTATION ANALYSIS ZONES (TAZ) & BOUNDARY MODIFICATIONS: FINAL
Mike Kimbrel, HRTPO

As part of the 2045 Long-Range Transportation Plan (LRTP) development process, and in coordination with localities, VDOT, and other regional stakeholders, HRTPO staff has updated the base year socioeconomic data by Transportation Analysis Zone (TAZ) for the regional travel demand model from 2009 to 2015. Draft 2015 socioeconomic data has been reviewed by locality staff through an iterative process, with comments incorporated as appropriate.

Additionally, HRTPO staff has reviewed current TAZ boundaries, updating those TAZs in need of boundary modifications using VDOT's Guidelines for TAZ structure and input from localities. This data was also reviewed by locality staff and VDOT, with comments incorporated as appropriate.

The Hampton Roads 2015 Socioeconomic Data by TAZ (with updated TAZ boundaries) will be made available for public review and comment from (via the HRTPO website) July 11, 2018 through July 24, 2018.

Mr. Mike Kimbrel, HRTPO Deputy Executive Director, will brief the TTAC on this item.
