

J. RSTP Funding Revision: Transfer RSTP Funding to the HRTPO RSTP Reserve Account
UPC 118375: SPSA Flyover – Phase 1

The Southeastern Public Service Authority (SPSA) has requested to transfer a total of \$500,000 in Regional Surface Transportation Program (RSTP) funds from the SPSA Flyover – Phase 1 project to the HRTPO RSTP Reserve Account. The \$500,000 of FY 2027 RSTP funds was approved by the HRTPO Board at its February 18, 2021 meeting. The project is currently being funded with 100% local resources. The specifics of the request are described below:

- **UPC 118375: SPSA Flyover – Phase 1**
 - Transfer FY 2027 RSTP Federal allocation of \$400,000, plus \$100,000 RSTP Match allocation to the HRTPO RSTP Reserve Account

This facility is considered regionally significant and the project was included in the Regional Conformity Assessment for the Hampton Roads 2045 Long-Range Transportation Plan (LRTP) and the FY 2021-2024 Transportation Improvement Program (TIP) that received a conformity finding from the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) on May 19, 2021; therefore, a new conformity determination is not needed.

Should the HRTPO Board approve the RSTP fund transfer described above, the appropriate databases will be amended to update the funding information associated with the project. This request was made available for public review and comment from June 30, 2021 through July 14, 2021. The Transportation Technical Advisory Committee (TTAC) has recommended approval of the RSTP transfer.

RECOMMENDED ACTION:

Approve the funding transfer.
