

AGENDA ITEM #13: 2040 LRTP STATUS REPORT AND COMMITTED & CANDIDATE TRANSPORTATION PROJECTS REPORT

During 2014, HRTPO staff is conducting year-3 tasks in the four-year update of the LRTP, which began in 2012 and will end in 2015.

As part of the update process, staff has prepared a report (enclosed) documenting the 2040 LRTP “committed” projects — which will be included automatically in the 2040 LRTP—and the 2040 LRTP “candidate” projects (approved by the HRTPO Board during its June 2014 meeting) — which will be scored using the HRTPO Project Prioritization Tool. Using the resulting prioritization scores, the HRTPO Board will select the candidate projects to be included in the fiscally-constrained 2040 LRTP.

Ms. Dale Stith, Senior Transportation Planner, will brief the TTAC on this item.
