

**AGENDA ITEM #12: REGIONAL PERFORMANCE MEASURES – FY 2016 UPDATE:  
FINAL  
*Camelia Ravanbakht, HRTPO***

In 2009, the General Assembly passed legislation giving the Commonwealth Transportation Board (CTB) authority to:

*“require that appropriate regional organizations develop...quantifiable measures and achievable goals for the urban region relating to, but not limited to, congestion reduction and safety, transit and high-occupancy vehicle (HOV) usage, job-to-housing ratios, job and housing access to transit and pedestrian facilities, air quality, movement of freight by rail, and per capita vehicle miles traveled.”*

In April 2012, the HRTPO Board approved desired trends for Hampton Roads Regional Performance Measures (RPMs) and 2012 values for these RPMs, and forwarded both to the Office of the Secretary of Transportation.

Annually since 2012, HRTPO staff has prepared an update using the latest data. The FY 2016 RPM data update was presented to the TTAC on July 6, 2016 and made available for public review and comment from Wednesday, July 6, 2016 through Wednesday, July 20, 2016. One comment was received and has been addressed in the final report.

**Dr. Camelia Ravanbakht, HRTPO Deputy Executive Director, will brief the TTAC on this item.**

Enclosure 12: *Regional Performance Measures – FY 2016 Update: Final*

**RECOMMENDED ACTION:**

Recommend HRTPO Board approval of the final report.
