SMART SCALE PROGRAMS

- **High Priority Projects Program (HPPP) – Project must meet a need identified in VTrans 2040 for:**
 - *Corridors of Statewide Significance*
 - *Regional Networks*
- **District Grant Program (DGP) – Project must meet a need identified in VTrans 2040 for:**
 - *Corridors of Statewide Significance*
 - *Regional Networks*
 - *Urban Development Areas*
 - *Transportation Safety*

ELIGIBLE APPLICANTS – HPPP (STATEWIDE)

VTrans 2040 Needs	Regional Entities (MPOs, PDCs)	Localities (Counties, Cities, Towns)	Public Transit Agencies
Corridors of Statewide Significance	Yes	Yes, <i>with a resolution of support from relevant regional entity</i>	Yes, <i>with a resolution of support from relevant regional entity</i>
Regional Networks	Yes	Yes	Yes, <i>with a resolution of support from relevant regional entity</i>

- ***Projects must be located within the boundaries of the applying agency***
- ***CTB may choose to submit up to 2 projects for consideration per solicitation***

ELIGIBLE APPLICANTS – DGP (DISTRICT)

- ***Only Localities may apply***
- ***Project must be located within the boundary of the relevant local government***
- ***Local governments may submit a joint application for projects that cross the boundary of a single local government***

SMART SCALE APPLICATIONS

- **SMART SCALE project applications must include well-developed:**
 - **Scope** - Limits of the project, physical and operational characteristics, physical and/or operational footprint
 - **Schedule** – Realistic, reflect complexity of the project and identify durations of project phases
 - **Cost** – Realistic, account for applicable risk and contingencies
- **Each applicant must rank submitted projects in priority order**

HRTPO PROJECT PROPOSALS

HRTPO staff recommends submitting the following projects in priority order as shown:

- 1. I-64 Southside Widening and High Rise Bridge – Phase 1***
 - Total Cost: \$600 Million***
 - SMART SCALE Funding Request: \$150 Million***

- 2. I-64/I-264 Interchange – Phases 1 and 2***
 - Total Cost: \$331 Million***
 - SMART SCALE Funding Request: \$100 Million***

REQUESTS FOR HRTPO RESOLUTION OF SUPPORT

In accordance with HRTPO Guidance on SMART SCALE, proposed projects must be consistent with:

- ***The current, fiscally-constrained Long-Range Transportation Plan (LRTP)***
- ***The current, fiscally-constrained Transportation Improvement Program (TIP), if applicable.***

NEXT STEPS

- ***9/30/16: Deadline for Submitting SMART SCALE Applications***
- ***Resolutions of support may be submitted up to 12/1/16***
 - ***Should an applicant not have a resolution available to upload by 9/30, it is recommended that a document referencing the intended resolution delivery schedule be submitted with the project application.***
