

AGENDA ITEM #6: FEDERAL INFRASTRUCTURE PROGRAM

Discussions are ongoing regarding a potential Federal Infrastructure Program. If enacted, the Infrastructure Investment and Jobs Act would provide additional funding for various transportation infrastructure projects including roads, bridges, rail, ports, airports, and transit.

HRTPO staff made a presentation to the FTAC at the May 2021 meeting detailing efforts to work with a group of regional organizations to position Hampton Roads for the anticipated program.

Mr. Robert Crum, HRTPO, will provide an update to the FTAC on this item.
