

**AGENDA ITEM #8: HRTPO REGIONAL GATEWAY STUDY UPDATE**

Improvements have been proposed for many of the corridors that provide access to and from Hampton Roads. Some of these improvements include widening I-64 between Richmond and Williamsburg, replacing all or portions of Routes 58 and 460 with limited-access facilities, and building I-87 to and from North Carolina.

HRTPO staff is preparing a study in FY22 to compare proposed improvements to these corridors based on the overall collective impact on the Hampton Roads region.

HRTPO staff will provide an update to the FTAC on this item.
