

AGENDA ITEM #12: FUTURE WORK EFFORTS OF FTAC

The Freight Transportation Advisory Committee (FTAC) was created by the HRTPO Board in 2009 to provide an opportunity for the freight industry to participate in and contribute to the regional transportation planning process. The Mission of the FTAC is to “Advocate on behalf of the systematic needs for the transport and movement of freight in the region. The committee will act as an advocate for freight issues and bring awareness of those issues to the public, key stakeholders and policy makers.”

HRTPO and Virginia Port Authority staff will initiate a discussion on future roles for the FTAC, including a possible FTAC work program.
