

USDOT REQUEST FOR PUBLIC-PRIVATE PARTNERSHIP PROJECT PROPOSALS

*Presented by
Michael S. Kimbrel
Principal Transportation Engineer
October 16, 2014*

LETTER FROM USDOT

- *Letter from U.S. Secretary of Transportation Anthony Foxx, dated September 9, 2014*
 - *Build America Initiative – Effort to support and expand use of innovative financing strategies, such as public-private partnerships (P3s)*
 - *Requests assistance in identification of pipeline of potential projects – ideally relatively early in planning process*

HRTPO POTENTIAL P3 PROJECTS

- *HRTPO staff and the Transportation Technical Advisory Committee (TTAC) recommend the following projects be submitted as potential P3 candidates under the USDOT program:*
 - *Hampton Roads Third Crossing*
 - *I-264 Corridor, from I-64 to Birdneck Road in Virginia Beach*
 - *Light Rail Transit Extension to Virginia Beach Oceanfront*
 - *Higher-Speed Passenger Rail Service – Hampton Roads to Richmond*

RECOMMENDED ACTION

Meeting Agenda Item 16-G:

- *Approve the potential P3 Projects for submission to USDOT.*
