

**K. CMAQ FUNDING REVISION – REQUEST TO TRANSFER CMAQ FUNDING:
UPC 115374 AND 115375**

The City of Newport News has requested to transfer a total of \$140,000 in FY 2025 Congestion Mitigation and Air Quality Improvement Program (CMAQ) funds from two projects to the HRTPO CMAQ Reserve Account in order to use Local funds to accelerate the delivery of both projects. The City plans to coordinate with the Virginia Department of Transportation (VDOT) to cancel the two associated UPC numbers. The specifics of the request are described below:

- UPC 115374 – Canon Boulevard and Old Oyster Point Road Intersection Improvements Project
 - Transfer FY 2025 CMAQ allocation of \$65,000, including state match, to the HRTPO CMAQ Reserve Account

- UPC 115375 – Oyster Point Road and Canon Boulevard Intersection Improvements Project
 - Transfer FY 2025 CMAQ allocation of \$75,000, including state match, to the HRTPO CMAQ Reserve Account

These projects are not currently included in the Hampton Roads FY 2018-2021 and 2040 LRTP; however the projects are not considered regionally significant and therefore do not require a new conformity determination.

Should the HRTPO Board approve the funding transfers described above, VDOT will be notified to update its appropriate databases. This request was made available for public review and comment from August 28, 2019 through September 11, 2019. The Transportation Technical Advisory Committee (TTAC) has recommended approval of the TIP amendment.

RECOMMENDED ACTION:

Approve the proposed project funding transfers.
