

AGENDA ITEM #16: WATA: UPDATE ON TRANSIT PROGRAMS AND SERVICES
Jamie Jackson, WATA

The Williamsburg Area Transit Authority (WATA) continues to implement projects that are highlighted in its Transit Development Plan (TDP) and other local and regional planning documents. The strategic projects include the implementation of the Intelligent Transportation System (ITS), rollout of a new brand and identity, bus shelter and other amenity projects, new transit vehicles, safety/security projects and programs, expansion of transit service within the current service area, preparation for a new facility, and other projects and activities that promote transit, economic, and service activities throughout the region.

Ms. Jamie Jackson, WATA Deputy Executive Director, will brief the TTAC on this item.
