

AGENDA ITEM #16: ROUTE 460/58/13 CONNECTOR STUDY: UPDATE
Jennifer Salyers, VDOT

VDOT staff will provide a status update on the Route 460/58/13 Connector Study to inform the Committee on the Environmental Assessment (EA) study development. Information regarding alternatives analysis, traffic analysis, and resource impacts will be presented.

Typical sections of the existing, six-lane freeway, and eight-lane freeway are attached.

Ms. Jennifer Salyers, VDOT Location Studies Project Manager, will brief the TTAC on this item.
