

**AGENDA ITEM #17: INTRODUCING HRGEO**  
***Sara Kidd, HRPDC***

The Hampton Roads Geospatial Exchange Online website (HRGEO.org) is the new open portal for regional geospatial data. HRGEO publishes dozens of regional datasets from the HRPDC and HRTPO that can be either downloaded or used directly in Geographic Information System (GIS) software. HRPDC staff collaborated with the Hampton Roads Sanitation District (HRSD) on this new resource for Hampton Roads.

**Ms. Sara Kidd, HRPDC Senior Regional Planner, will brief the TTAC on this item.**

**RECOMMENDED ACTION:**

For discussion and informational purposes.
