

**D. FY 2015-2018 TIP REVISION – RSTP TRANSFER REQUEST: HRT**

The following is a request from Hampton Roads Transit to transfer available Regional Surface Transportation Program (RSTP) funds between two projects. The specifics of HRT's request are described below:

- Transfer \$2,000,000 FY 2015 RSTP funds, including state match, from the Regional Fixed Guideway Studies & ROW (UPC T9093) to the Miscellaneous Transit – Facility Upgrades in Hampton (UPC T9092). The contract for the rehabilitation of the Hampton Facility was recently awarded and funding is needed this fiscal year to complete the entire scope of work for the project.
- Transfer \$2,000,000 FY 2022 RSTP funds, including state match, from the Miscellaneous Transit – Facility Upgrades in Hampton (UPC T9092) to the Regional Fixed Guideway Studies & ROW (UPC T9093). Due to the federal project development process, it is anticipated that some of the corridor studies will not be ready to move forward for several years.

Should the HRTPO Board approve the RSTP fund transfers described above, the FY 2015-2018 Transportation Improvement Program (TIP) will be amended to account for the revisions. This request was made available for public review and comment from November 2, 2016 through November 16, 2016.

**RECOMMENDED ACTION:**

Approve the RSTP fund transfers and the associated TIP amendment.
