

ITEM #14: BOWERS HILL INTERCHANGE STUDY: UPDATE
Scott Smizik, VDOT

The purpose of the briefing on the Bowers Hill Interchange Improvements Study is to support HRTPO Policy Board action endorsing the recommended preferred alternative. The briefing will cover Study background, concepts considered, alternatives retained, and potential impacts from the two retained build alternatives.

Mr. Scott Smizik, VDOT Assistant Environmental Division Director, will brief the HRTPO Board on this item.

RECOMMENDED ACTION:

For informational purposes.
