

**ITEM #15: REGIONAL TRANSPORTATION PERFORMANCE UPDATE**  
***Keith Nichols, HRTPO***

HRTPO staff monitors the performance of the regional transportation system on an ongoing basis. This has been particularly important during the COVID-19 pandemic, which continues to impact travel more than any other issue in recent memory. HRTPO staff presented an initial analysis of the impacts of the COVID-19 pandemic on the regional transportation network during the State of Transportation in Hampton Roads presentation at the January 2021 HRTPO Board meeting. This presentation will provide an update on this analysis.

Mr. Keith Nichols, HRTPO Principal Transportation Engineer, will brief the HRTPO Board on this item.
