

ITEM #14: HRTPO 2014 LEGISLATIVE AGENDA – HRTPO RESOLUTION

In preparation for the 2014 General Assembly session, the Legislative Ad-Hoc Committee is tasked with developing a set of legislative priorities to aid in the development of the HRTPO 2014 Legislative Agenda. After meeting in June and September, the Committee recommended approval of eight (8) legislative priorities for consideration for the 2014 General Assembly, which have been organized in the form of an HRTPO Board resolution.

The Committee also discussed seeking legislation to create a regional finance authority for the Hampton Roads region; however, no formal recommendation was made by the Committee. The HRTPO staff recommends that the HRTPO Board consider this issue and decide whether to make a recommendation within the HRTPO 2014 Legislative Agenda to the General Assembly regarding the establishment of a regional finance authority.

This item was discussed and the associated attachment was included in the Workshop Agenda, Item #8-B.
