1. Welcome and Introductions

2. Minutes (Attachment 2)

Minutes from the October 18, 2021 Regional Transit Advisory Panel (RTAP) meeting are attached.

3. General Assembly Session and Transit Advocacy

At the October 18 RTAP meeting, members discussed the important role that the RTAP membership could play during the 2022 General Assembly session regarding transit advocacy and began to discuss options and strategies for the RTAP membership to advocate for transit in the Hampton Roads/757 region. Information will be shared on potential opportunities and strategies for coordinating and advancing these efforts.

4. Review of Priority Recommendations Identified by the RTAP Membership

At the October 18 RTAP meeting, Panel members agreed to complete the following tasks:

- Review the recommendations developed by the nine RTAP work groups and identify any additions that should be made to these recommendations.
- Identify their top priority recommendation within each of the nine work group categories.

Staff is in the process of compiling the results of this RTAP survey. Staff will provide a presentation summarizing the priorities identified by the RTAP membership. This information will be used to develop a summary report outlining the RTAP membership's work and identified priority recommendations.

5. Other Business

RTAP members will be provided an opportunity to share any information related to public transit in the Hampton Roads/757 region.
