# FY16 UPWP Planning Priorities

- Programming
- Multimodal Planning
- Congestion Relief, Safety, Security
- Public Transportation Funding
- Legislation and Policy

# Ideas

- Identify and prioritize region's goals for transit- interview TTAC members
  - support real estate development?
  - attract millennials and businesses that employ them?
  - relieve highway congestion?
  - provide alternative transportation to low-income, people with disabilities, and elderly?
- Of our peer regions (1-3m), rank factors which influence transit ridership
  - transit infrastructure
  - service frequency
  - land use
  - demographics
  - socioeconomics
- Steps taken by other regions to get dedicated transit funding
- Where are gaps between bike/ped and transit in HR?
- Are there better payment collection systems for HR transit companies?
  - e.g. DC Metro's SmarTrip card
